GBBA 2015 Scholarship Fund Drive Kicks Off

The GBBA (Greater Blirstown Business Association) is kicking off its 2015 Scholarship Fund Drive this month and is asking local businesses and community members to help make it the best year ever.

In recent years the GBBA has awarded 22 grants to NWRHS scholars in excess of \$11,000. We are striving to dramatically improve on those awards in future years with your help.

The GBBA's mission is to support area businesses and to encourage our communities to shop locally. Inherent in our structure is to give back... and we do that in the way of our annual scholarship grants.

A completely volunteer board governs the GBBA. The vast majority of the business membership dues, as well as all additional membership and public donations, are directed towards our North Warren Regional High School scholarships.

The GBBA completely depends upon the generosity of our local businesses and citizens to carry this scholarship program forward each year. The GBBA needs you!

Please call GBBA members Ron Fischer or Andrea Setliff at their RPR Coupons office on Main Street (PO Box 398) Blirstown (908-362-7080) to find out how you can join as a business member or, as a member of our community, directly donate to our annual scholarship fund. And please visit our website at shopGBBA.org to view our members' profiles and to support our local businesses.

Shopping locally strengthens our communities!
